Subject: Re: 700 Indiana Avenue

Molly,

Thank you for your reply. During the City Council meeting in June when I discussed this topic during Government Reports the mayor stated he was unaware of this particular problem and would look into it. Is this the result of his findings or should we expect more? At this point we are no further along with this neighborhood / zoning problem than we were months ago.

Thank you in advance for any additional updates.

Neil Garrison
